

Warranty

Ensuring Dependable Performance

From design... to materials selection... to construction, the Champion team strives for perfection. Knowing the critical necessity for an uninterrupted supply of oil-less compressed air, Champion craftsmen take the extra care needed to ensure trouble-free operation and economical performance. At every step of the manufacturing process, stringent inspection procedures assure accuracy and future dependability. Rigid testing determines if the Champion symbol of excellence can be assigned to the final product. Others have copied, none have equaled, the strict standards established by Champion. Though users have little need for the warranty that backs each Champion product, an extended three year warranty is provided.

Champion Warranty V & W Series Oil-less compressors

Champion warrants each new V & W Series oil-less compressor pump manufactured by Champion to be free from defects in material and workmanship under normal use and service for a period of thirty-six (36) months maximum or specified number of operating hours, whichever may occur first. This applies to the compressor pumps ONLY, excluding head valves which are warranted for the first year only. The unit is warranted for one year after start-up, or 18 months after shipment, whichever occurs first.

Warranty hours for pump components are as follows:

- | | |
|--|-------------------------|
| ▶ Compression Rings and Guide Rings | 10,000 hours or 3 years |
| ▶ Driving Set (sealed ball bearings mounted in connecting rod) | 10,000 hours or 3 years |
| ▶ Piston Set | 10,000 hours or 3 years |
| ▶ Crankshaft Bearing Set | 20,000 hours or 3 years |
| ▶ Reed Valves | 5,000 hours or 1 year |

5 Year Electric Motor Warranty

The above applies to Champion manufactured compressor units only.

All Units Built to ISO 9001 Standards.
